

global economic alternatives network - brazilian theme party

ALTERNATIVE BOSTON

fundraiser - auction - workshop - discussion - live music

The Global Economic Alternatives Network (GEAN) is organizing at the World Social Forum (Belem). The central concern is about labor and the building of the alternative economy. GEAN will be joined by many other organizers on water, migrant workers' rights, peace activism, and social change work. Join us to learn more about this work and to plug into the organizing!
